

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

CARDUI

The Woman's Tonic

a trial. I still use Cardui when I feel a little bad, and it always does me good." Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.

JONES QUALIFIES AGAINST PADGETT FOR HOUSE SEAT

HUMPHREYS COUNTIAN PLANKS
DOWN THE NECESSARY \$300
WITH CHAIRMAN.

PRIMARY ON THURSDAY AUGUST 3

Belief General That Mr. Padgett Will
Have No Trouble in Distancing His
Opponent in the Coming Contest—
Splendid Record.

Lemuel Phillips Padgett and H. Grady Jones have qualified as candidates for the democratic nomination for congress in this district. Mr. Padgett qualified some time ago but Jones did not qualify until Saturday, the last day provided in the primary plan upon which he could qualify.

This means that there will be a spirited contest for the democratic nomination in the primary on August 3. The primary will be held on the

day of the regular August election and it is expected that a good democratic vote will be polled then, much larger than that cast in the last congressional primary held in September 1914.

The opinion is general that Mr. Padgett will have an easy contest for the nomination. He is now serving his eighth term and is one of the leaders of the house, being chairman of the important naval affairs committee, charged with the high responsibility of providing means for the better defense of the nation. His work on that important committee has elicited the unstinted praise of President Wilson and Secretary of the navy Daniels. There is no disposition to change members at this critical time in the country's history.

Jones was a candidate against Padgett six years ago but was defeated.

MAURY COUNTIAN AMONG CAPTURED

Among the captured troopers at the Carrizal massacre is Luther C. Alexander, of Godwin, a well known Maury county negro. He is a first cousin of Clarence Williams, porter at The Herald office.

Stock Ewes for Sale

We have been able to secure stock ewes for our customers, mostly native black face Southdowns; also some light faces and some Southern ewes that have been here for a year. Realizing that we won't have half enough to go around and will be unable to get them away from home we will ask you to get busy and secure what you need from us at once. We also have some Southdown Bucks. Call R. L. Hays, Bell Phone 2200 or C. A. Wright, Bell Phone 3502.

WHEAT THRESHING IS NOW ON FULL BLAST IN COUNTY

FARMERS ARE TAKING FULL ADVANTAGE OF FAVORABLE WEATHER.

MARKET OPENS AT ONE DOLLAR

Several Crops Have Been Purchased At That Figure if Wheat Grades Strictly No. 2—Average Yield Will Be Below Normal This Year.

Wheat threshing is beginning in all parts of the county and farmers are getting sacks from the mills in large numbers. If the week should continue fair through the end a very large proportion of the small grain crop of the county would be threshed. Practically all of the barley of the county has already been threshed. There is a very little of this crop in the county, however, one of the smallest in recent years.

Reports on the wheat crop vary. Some farmers declare that they will make an average of twenty bushels to the acre, others report what they pronounce "the poorest crop they have ever had." On the whole, it is safe to say that the crop will be an indifferent one. Some fields are almost a failure where usually good wheat has been produced. From present indications the poor yield will tend to discourage the planting of a large acreage this fall. The tendency toward live stock farming, coupled with poor wheat crops for two years in succession, will unquestionably result in a considerable reduction of the acreage generally sown to wheat.

The market has opened at \$1, and while little of the new crop has been threshed a considerable quantity has been purchased for delivery when threshed at \$1 for strictly No. 2 wheat.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.—(Adv.)

FOR COLLECTION OF A JUDGMENT

SUIT FILED BY IMPLEMENT COMPANY AGAINST L. F. AND GEO. HOWELL.

Though its attorney, John H. Dinning, the Emerson-Brantingham Implement company has filed a bill in the chancery court to collect a judgment of \$513 against L. F. Howell and George Howell. It is alleged that the defendants, with their sister, Miss Ophelia Howell, are the owners of a tract of land of 158 acres in the Fifth district of this county, which is encumbered with a mortgage of \$4,200. It is now sought to subject the interest of L. F. and George Howell in the land to the payment of the judgment, subject to the rights of the holders of the mortgage.

DR. CAPERS TAKES ROAD IN INTEREST COLUMBIA INSTITUTE

WILL BE ABLY ASSISTED BY GILBERT ORR, WHO WILL WORK IN MISSISSIPPI.

MISS HENDERSON IN FIELD AGAIN

Col. Anderson and Miss Crutchfield in Chicago—Announces Many Improvements Upon the Grounds and Buildings.

With the arrival of its attractive catalogues, Columbia Institute has formally opened its summer campaign for students. Many catalogues were mailed out last week in answer to applications from a distance.

In the work of the campaign this summer, Dr. Capers will be assisted by Gilbert Orr, who leaves this week for Mississippi. Miss Charlotte Henderson, who will work the field in Alabama and Louisiana. Dr. Capers has already taken the road in the interest of the school and will for the present be in West Tennessee and Arkansas. Col. Anderson and Miss Crutchfield will look after the Institute's interest in Chicago and vicinity.

Dr. Capers reports the outlook unusually encouraging at this early season of the campaign. The premises of the school have been much improved by the removal of some of the outbuildings in the back of the school, and a transformation of the grounds into a lawn and flower garden.

Dr. Capers says that he hopes to have money in hand to have a terraced concrete walk to the front gate, which will be an added improvement to the already imposing appearance of this stately old edifice.

CATALOGUE FOR LYNNVILLE SCHOOL

WILL BE ISSUED FROM THE PRESS OF THE HERALD NEXT MONTH.

Prof. Charles E. Bell, of Johnson City, who was recently elected principal of the Jones High School, at Lynnville, is on the job. Mr. Bell has prepared the copy and schedule for the next session of the school which will begin September 5th, 1916. The contract for printing the catalogues has been awarded to The Herald, and it is expected that they will be ready for distribution before the first of August. Prof. Bell will begin the canvass for pupils on or about July 20. They will make an active campaign and it is expected that the school for next term will show a decided increase in the enrollment.

HAYES BROS. SELL CALOMEL TODAY, TO THEO. LAMBROS SICK TOMORROW

NEW MAN WILL INSTALL UP-TO-DATE CANDY KITCHEN—HAILS FROM BIRMINGHAM.

Hayes Bros., former owner of the By-Path, have sold all their interest in said business to Theo. Lambros, of Birmingham, Ala., who will open up an up-to-date candy kitchen, handling all kinds of home-made candies, fruits and cigars.

Mr. Lambros has been in the candy business for several years in Birmingham and comes well recommended as a maker of all kinds of fresh and wholesome candies. The house will be closed for about two weeks, during which time, it will be overhauled throughout, and a fresh stock of goods will be placed therein.

PERFECTLY SAFE.

"I suppose I'll have to be bored by Fluddub's lecture. He's going to speak on Pike's Peak."

"Then why worry? You can't hear him from that distance."

DOSE OF NASTY CALOMEL MAKES YOU SICK AND YOU LOSE A DAY'S WORK.

Calomel salivates, its mercury, Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—(Adv.)
